Retirement rewarded Kay Lowry with her most valuable possession: family time. She, her fiancé, her children and grandchildren take particular pride in holiday celebrations.

During the Christmas season, Kay and her fiancé often dress as Mr. and Mrs. Claus to spread holiday cheer. They usually visit Wishard Hospital, where Kay worked as a clerk until she retired, to sing Christmas carols. In 2006, they also took a trip to Monument Circle with her family.

"We thought it would be fun to visit the Christmas tree on the circle," she said. "While we were there, a little girl and her mother approached me and gave me a letter for Santa. I secretly talked to the mother about what I should say and then wrote and mailed a reply to that little girl."

Taking the time to write to a child she didn't know exemplifies Kay's deep appreciation for family. "I love spending time with my family, all the kids and grandkids," she said. "They give me so much joy; they have blessed my life and I don't know what I'd do without them."

I'm sure her family would say the same about her, a woman who relishes the value of close relationships and takes the time to show it.

⁴Members receiving benefits in this fund with less than 20 years of service are receiving a disability benefit from the fund. Since Jan. 1, 1990, there are two disability programs under this fund. The original program is available only to members initially hired before Jan. 1, 1990 and who elected not to be covered by the new program. The new program is applicable to members hired after Dec. 31, 1989. Members deemed qualified under the original program are entitled to a benefit equal to that of a member with 20 years of service at age 55, and subject to annual medical review up to the point the member actually reaches 20 years of service and age 55. The new program has three "classes" of impairment with varied entitlements based on the covered impairment.

⁴Members receiving benefits in this fund with less than 20 years of service are receiving a disability benefit from the fund. Since Jan. 1, 1990, there are two disability programs under this fund. The original program is available only to members initially hired before Jan. 1, 1990 and who elected not to be covered by the new program. The new program is applicable to members hired after Dec. 31, 1989. Members deemed qualified under the original program are entitled to a benefit equal to that of a member with 20 years of service at age 55, and subject to annual medical review up to the point the member actually reaches 20 years of service and age 55. The new program has three "classes" of impairment with varied entitlements based on the covered impairment.
